

Personal and Commercial Protection

Comprehensive Coverage For All Insurance Needs

CCW Global Limited

Simplifying Insurance in Hong Kong

Founded in 2012, CCW Global was established with a **commitment to provide the best possible insurance advice to individuals and businesses in Hong Kong.**

Our mission is to ensure that you have all the information needed to make an informed decision about the coverage which best meets your specific requirements – and **our guarantee is that we will never provide “solutions” which don’t meet your requirements**, ensuring that should you ever need your coverage you will always have the protection you deserve.

As a broker, CCW Global works on your behalf to compare the best available insurance products for coverage and price. This means that our team does the leg work to find the perfect solutions to your insurance needs, leaving you free to concentrate on living your life.

With dedicated teams for Commercial, General, and Protection products, **the employees at CCW Global have more than 60 years’ experience in the Hong Kong and APAC insurance markets**, and can offer local advice and support available from few other brokers in the region.

Our commitment to service means that you can always expect a prompt and efficient response to any enquiry, and our customers are always given a single point of contact ensuring that no time is wasted with complicated phone systems or dealing with staff who don’t speak your language.

All Your Personal Insurance in a Single Location

CCW Global is able to offer an extensive range of coverage under a single roof – giving you the convenience of dealing with a single organization for your entire insurance portfolio.

Simply tell our brokers what type of insurance you need, or what types of risk you are concerned about, and we will liaise with our international insurance partners to identify the perfect coverage solution.
